

# How Do I submit assignments and lab work?

Flowchart (top), Source Code (middle), output file (bottom or below source code on same page)

Place your name on all pages in top left corner, and save in one .pdf file.

Then, email the file by the due date

```
/CS200  
Semester, Year)  
Porps  
1  
(due date here)  
HelloWorld.java  
d  
c void main(String args[ ])  
m.out.println("Hello World! My Name is F. Porps.");  
em.out.println() is to display output to the screen  
t between quotes is called a string literal
```

```
----jGRASP exec: java helloworld  
d! My Name is F. Porps.  
P: operation complete.
```
